

Greetings,

If you are reading this, you are interested in participating in My Prihead Program. This is a **long-term** training program that has one purpose, three components, and three stages.

Purpose: To prepare yourself for ownership. To be owned by Me, Goddess Capri, through show of service, submission, and total devotion. To strip away your control and autonomy and rebuild them in the image that pleases me. To prepare you to become a dedicated, unwavering, and devoted Prihead.

Components:

Service: You will serve Me and/or My Dungeon Family at events* and during your service days. You will be required to complete daily, weekly, and monthly tasks.

* You must get explicit permission from Me to assist at Atlanta Dungeon events. You will not be granted this privilege until the protection stage.

Submission: You will strip away your ego. You will become My human and play toy. If I break you, it won't be permanent. Although, I make no promises.

Devotion: You will show unwavering devotion to Me.

Stages:

Consideration

length: (not to exceed)
6 months

Protection

length: (no earlier than)
6 months

Ownership

length: (no earlier than)
12 months
